

Accessibility

Charlottenborg is a historical site and subject to listed building status. As a result, there are aspects of the architecture at CHART that are not optimally adapted to use by wheelchair users, for example. We are acutely aware of the urgent need to change this situation.

Kunsthall Charlottenborg is equipped with lifts and accessible toilets and we expect that all of the activities in Charlottenborg's courtyards should be fully accessible.

We will do our absolute best to accommodate everyone.

Regrettably, Festsalen – where CHART's Talks Programme takes place, as well as the Start Collecting Exhibition – is not equipped with lifts. However, a temporary wheelchair stair lift will be in place during the days of CHART to ensure that Festsalen is accessible for wheelchair users.

Please contact Martin Tradsborg at production@chartartfair.com / +45 22 42 02 20 as far as possible in advance, to arrange usage of the temporary wheelchair stair lift.

Disability parking is limited at CHART. The nearest spaces are located at Harald Landers Gade behind Charlottenborg.

Please contact fair@chartartfair.com for any questions regarding accessibility at CHART.

CHART offers free admission to persons accompanying visitors with specific accessibility requirements. Please contact fair@chartartfair.com to arrange free entry. CHART also welcomes guide dogs and other service animals.
